

COLE CHARLES PETER LENTING

Cape Town, SA | colelenting7@gmail.com | 081 348 9356

Dedicated and passionate ICT graduate with a Diploma in Multimedia (2024) and admission to pursue an Advanced Diploma in ICT, specializing in Multimedia. Proficient in front-end development and UI/UX design, with a strong foundation in creativity, decision-making, and a commitment to leveraging technology for impactful solutions. Currently enhancing skills in Adobe software and actively exploring backend development, software engineering, and emerging technologies to deliver innovative and user-focused digital experiences.

EXPERIENCE

2024

JUL - SEP

WORK INTEGRATED LEARNING (WIL) - BIIC | PILLAR 5 GROUP

Workplace Learning as part of the educational program at Cape Peninsula University of Technology (CPUT), integrating academic studies with practical work experience. This Co-operative Education partnership with industry organizations focused on developing graduates who are academically, socially, and technologically competent, and responsive to societal needs and

2024

FEB - JUL

WEBSITE DEVELOPER - KAMIKAZE INNOVATIONS

Designed and developed a fully customized website for a client over six months, addressing specific requirements and documenting every stage of the process. Created color palettes, refined logo designs, developed wireframes and mockups, and coded a responsive website from scratch. Delivered comprehensive documentation, including logbooks, progress reports, and a style guide, while balancing design aesthetics and functionality to meet the client's needs.
